

OKLAHOMA STATE UNIVERSITY INSTITUTE OF TECHNOLOGY

OKMULGEE

GENERAL INFORMATION

Type of Institution – Public, technical, residential university
Support – State
Enrollment – 4,745
Setting – Rural

ACADEMIC INFORMATION

Academic emphasis – World-class instruction in advanced technologies, awarding degrees to individuals seeking technical careers.

Degree programs

Associate in Science (AS), Associate in Applied Science (AAS), Bachelor of Technology (BT) in the following degree programs:

Arts & Sciences Division

General Studies, Pre-Education (AS), Business Technologies (AS), Office Information Systems Technology (AAS)

Automotive Technologies Division

Automotive Collision Repair Technology (AAS)
Automotive Service Technology (AAS)
Chrysler CAP, Ford ASSET, GM ASEP, Pro-Tech,
Toyota T-TEN

College of the Muscogee Nation

Gaming (AAS)

Construction Technologies Division

Air Conditioning & Refrigeration Technology (AAS)
Construction Technology (AAS)
Construction Management, Electrical, High Voltage Electricity,
Plumbing

Culinary Arts Division

Culinary Arts (AAS)

Engineering Technologies Division

Engineering Technologies (AAS)
Electrical & Electronics Technology, Engineering Graphics &
Design Technology, Manufacturing Technology, Nano Scientific
Technology, Civil/Surveying Technology
Civil Engineering Technology (BT)
Instrumentation Engineering Technology (BT)
Power Plant Technology (AAS)

Health & Environmental Technologies Division

Orthotics & Prosthetics (AAS)

Heavy Equipment & Vehicle Institute

Diesel & Heavy Equipment Technology (AAS)
Aggreko Technician Training Program
CAT Dealer Prep
GPA/GPSA Natural Gas Compression Program
Komatsu Advanced Career Training Program
MHC Kenworth Truck Technology
Southwest Association Industrial and Farm Equipment

Precision Agriculture Technology (AAS)

Information Technologies Division

Information Technologies (AS)
Information Technologies (AAS)
Information Assurance & Forensics (BT)

Nursing Division

Nursing (AAS)

Visual Communications Technologies Division

Graphic Design Technology (AAS)
Multimedia Technology (AAS)
Photography Technology (AAS)

Watchmaking & Microtechnology

Watchmaking & Microtechnology (AAS)

Class times offered – Daytime, some evening, some distance
Academic calendar – Fall semester (September through December),
spring semester (January through April), summer semester (May
through August)

FACULTY INFORMATION

Total faculty – 198
Full-time faculty – 123
Part-time faculty – 75
Percent of faculty with advanced degrees – more than 50%
Student-faculty ratio – 21 to 1
Faculty involvement – Assist with academic advisement, monitor
student internships and assist in graduate placement.

Oklahoma State University Institute of Technology is Oklahoma's only college devoted solely to providing technical education. The college operates year-round on a three-semester system that allows students to complete a typical Associate in Applied Science program with 90 credit hours in two years. Its mission is to provide world-class instruction in advanced technologies and is considered by other educators as an international pacesetter in collegiate technical education. Instruction is delivered through innovative programming to educate the high performance technicians business and industries today seek for globally competitive environments. It's located in Okmulgee, which is 35 miles south of Tulsa, Oklahoma's second largest city.

OKLAHOMA STATE UNIVERSITY INSTITUTE OF TECHNOLOGY
