Located in north-central Oklahoma in the city of Stillwater, Oklahoma State University is a modern land-grant system that cuts across disciplines to better prepare students for a new world. Oklahoma's only university with a statewide presence, OSU improves the lives of people in Oklahoma, the nation, and the world through integrated, high-quality teaching, research and outreach. Known for its friendly atmosphere, outstanding academics, beautiful campus and the personal attention given its students, OSU has students from all 50 states and about 110 nations and has graduated more than 225,000 students who have made a lasting impact on Oklahoma and the world. Results from a national student satisfaction survey indicate OSU students are more pleased with the quality of their college experience than students at other institutions.
