A) Issue of overlapping interest by OSGA and SAB members on items 8,9, and 10. Of the OSGA News dated 8-26-00.

Item 8: continue studying the use of SS# as student ID numbers.

Item 9: Continue work on attendance policies and enforcements of particular school activity absences.

Item 10: University Access to University E-mail addresses.

B) Workplan 1999/2000 progress report was given by Saul and the individual items were reviewed. The progress of previous efforts by SAB was discussed. It was adopted on August 23rd by the steering committee.

Discussion of Dinner and its purpose was discussed.

The two events were discussed: the college meeting at Edmond and the Legal Issues Conference at OU.

The first is free and the latter will be reimbursed.

Michael and Cindy choose their colleges to contact.

Next meeting time was chosen for September 24th on Sunday at 2:30 at the Hodges building.
