2004 – 2005 Work Plan Updates

1. Credits expiring for non-traditional: several institutions restrict aid when you go over 150% of your degree credits. Not able to get a title IV money. EFC is 0 she is disabled & can't work but can't get aid either to get a better job to work.-Erin
2. Teacher Enhancement Program- teach full-time & part time professors that could get create teaching ideas from a small Enhancement program- the students might have the opportunity to give input on effective teaching methods.-encourage regents to encourage schools.- Brandy

Academic Efficiency Program – Council and Academic Affairs Office

3. Cultural Diversity- foreign language required to graduate. - Gen Education requirements set by individual school.-Lynnsey

Question if foreign students will have to learn English? Entrance exam covers English proficiency test.

Study Abroad, Influencing Students to enhance cultural diversity to expand economic development

Providing simplified information on studying abroad; Jennifer to connect Lynnsey with economic development points

4. Distinction-of OK graduate for workplace-(okmarketplace.org) Hugh McCrab-Academic Affairs- H.E. in the workplace –Okhighered.org –reports-workforce- click on a report on graduates and where they go- Jessica

Team Up with Edge. Hugh's response: no incentives currently for OK Businesses to higher OK Students. Though would be a good idea to works toward. (Okhighered.org)

5. Lottery Money (team up with OSGA) to get Higher Ed's fair share-Samantha-call get together with the rep from OSGA to research.

Possible hookup w/district representative and senate: On ballot for November 2004. Why should higher-ed receive part of the lottery money? Where is the lottery money already allocated to; what is the percent already to higher-ed in other states.

11/3/2005

6. Research increasing Student Loans-increases student loan debt.(counter argument)-null
7. Voice Initiative-Voter Education Registration-not for the state regents-null
8. Student Health Insurance-Blue Cross Blue Shield-bigger campuses do that already (some) maybe contact some of them COSA-Carol

Dr. McMurray – something that has already been discussed and information gathered. Requirements for Students questions for pre-enroll vs. enroll due to hold on add and drop class date.

Question partnering with drop-in health centers; setup meeting with Jennifer.

Questions underwriting state health insurance

#### New Ideas:

1. Erin brought up new suggestion – graduation rate for minority students lower across state.
2. Residency and waivers

#### Campus Visits:

1. Two visits other than ones under their governing boards; partner w/OSGA. Mileage log and claims, no deadlines, travel preferred w/ fall semesters, etc
2. Explain SAB and work plan with their suggestions and student concerns.

#### New Business:
