HIGHER EDUCATION IN OKLAHOMA

- Oklahoma's public colleges and universities remain one of the most significant positive impacts on the state's economy, communities and citizens.
 - More than 206,000 students enrolled annually.
 - Nearly 37,000 degrees and certificates awarded in the last academic year.
- *U.S. News and World Report* ranks Oklahoma tuition and fees as 12th-lowest in the nation and student debt at graduation as 13th-lowest in the nation.
- STEM degrees and certificates conferred at state system institutions increased 54% over the last nine years.
- Workforce initiatives focus on continued growth in engineering, nursing, medicine and teacher education.
- Strategic innovations include development of microcredentials, which provide alternative learning pathways directly aligned with high-demand skills requested by employers.
- To fully fund the concurrent enrollment program for high school seniors and juniors will require an additional investment of \$4 million.
- For every \$1 of state appropriations invested, the state system of higher education generates \$9.40 in economic return.
