Scholarships for Child Care Professionals

Just Like You

Scholars for
Excellence
in Child Care

Advance Your Career to Earn More

Take a step toward success

There are many steps you can take to advance your career as a child care professional. The first step is to begin your education to earn credentials such as the **Child Development Associate (CDA)** credential and the **Certificate of Mastery**. Earning these credentials can lead to many career benefits. From there, many options are available for furthering your education to heighten your career.

The **Scholars** program provides a sequential professional development path for teachers, directors and family child care home providers (or child care professionals) and scholarship support while taking courses leading to a credential in child development.

Benefits of earning a credential

- Increased knowledge
- Increased confidence
- Increased opportunity for better pay, recognition and a sense of accomplishment
- Improved job performance and service to children and families
- Reinforce commitment to child development
- Professional achievement that validates knowledge and skills in child development

Scholarship eligibility

To qualify for the **Scholars** program, child care providers must:

- Work in a one-star plus or higher Department of Human Services (DHS)-licensed or military-monitored or tribal-monitored child care facility.
- The facility must have a minimum of 10% DHS and/or tribal subsidy enrollment.
- Work as a teacher, family child care provider or director at least 30 hours per week, earning \$15.50 or less per hour.
- Be employed at a child care facility at least six months before beginning course work.
- Once approved, be on a child development plan of study.

Support and assistance

Being a scholar is a collaborative process between you and the **Scholars** program. Working closely with your scholar coordinator can help you set and achieve goals, connect with campus resources and make responsible decisions consistent with your interests, goals, abilities and credential.

The **Scholars** program promotes scholar success by empowering scholars to take responsibility for achieving their academic and professional goals.

Scholar coordinators:

- Provide support services and technical assistance.
- Help scholars navigate through the entire process, from the application for the scholarship, admissions and financial aid to credential completion.
- Provide academic and career advisement to ensure scholars' success.
- Provide guidance in exploring scholars' credential options to ensure compatibility with educational and professional goals.

How to pay for it

With the **Scholars** program, you can:

- Get **free** books.
- Pay only **30%** of the tuition costs.
- Earn Pell Grants for additional aid, if qualified.
