

ENCOURAGE YOUR STUDENT TO **THINK 30!**

By taking 30 credits a year, your student
Saves Money • Saves Time • Fast Tracks Their Career

The longer your student spends in college for their bachelor's degree... the more likely they will leave **WITHOUT** earning one.

30

Freshmen NSU students enrolled in 30 hours their first year average

- 86% retention
- 85% completion of hours
- 3.15 GPA

<30

Freshmen NSU students enrolled in less than 30 hours their first year average

- 51% retention
- 64% completion of hours
- 2.36 GPA
