- The Disbursement Report Text file is informational only. No response is required in text format. An Excel roster has been forwarded for your response.
- The file is sorted in alphabetical order.
- Only students identified in the current OTAG database as being “Ready to Disburse” as reported by the verifying institution.
- If using the OSRHE Secure Access File Exchange (O-SAFE) to download the Disbursement Report Text File, instructions for use of the O-SAFE site are available on request to [reports@otag.org](mailto:reports@otag.org).
- Enroll Status (Field #6) identifies the enrollment status the student’s disbursement amount is based on.
- Disbursement Amount (Field #8) reflects the disbursement amount based on the enrollment status and eligibility information reflected in the OTAG database at the time the Disbursement Report was generated.
- School’s Student ID (Field #9) is provided for the school’s convenience if it appears on the related award claim form. OTAG does not track or verify the school’s student ID in any way. If the ID is incorrect on a claim, it will appear incorrect on the corresponding disbursement report.
- If you have questions concerning the Disbursement Report, contact the OTAG office at (405)225-9456 or toll-free at (800)858-1840, or send emails to [reports@otag.org](mailto:reports@otag.org).
