The Oklahoma State Regents for Higher Education, in compliance with Titles VI and VII of the Civil Rights Act of 1964, Executive Order 11236 as amended, Title IX of the Education Amendments of 1972, Americans with Disabilities Act of 1990 and other federal laws, do not discriminate on the basis of race, color, national origin, sex, age, religion, handicap or status as a veteran in any of its policies, practices, or procedures. This includes, but is not limited to, admissions, employment, financial aid and educational services.

This publication, duplicated by the State Regents' central services, is issued by the Oklahoma State Regents for Higher Education as authorized by 70 O.S. 2001, Section 3206. Copies have been prepared and distributed internally. Copies have been deposited with the Publications Clearinghouse of the Oklahoma Department of Libraries.

**Oklahoma State Regents for Higher Education**  
**Concurrent Enrollment Report**  
**Academic Year 2023-2024**

**BACKGROUND:**

Concurrent enrollment allows high school seniors and juniors who meet admission and course placement requirements to earn college credit at Oklahoma colleges and universities while still in high school, which strengthens student preparation, reduces college costs, and decreases the time required to complete a degree.

Participation in the Oklahoma state system of higher education's concurrent enrollment program has nearly doubled in the last decade, and in the previous academic year, over 18,500 students from Oklahoma high schools enrolled in concurrent courses, generating 176,990 student credit hours.

The State Regents' Concurrent Enrollment Policy provides a framework for State System institutions to offer concurrent enrollment to eligible high school juniors and seniors. The policy specifies concurrent enrollment admission, course placement, and retention criteria; defines the environments and conditions in which concurrent enrollment is offered; details specific standards associated with offering concurrent enrollment; and sets annual reporting requirements.

The State Regents approved a pilot program for concurrent enrollment tuition waivers for the fall 2005 and 2006 spring semesters to help qualified students earn college credit while still in high school. The pilot program required Oklahoma higher education institutions to waive tuition for up to six credit hours per semester for each concurrently enrolled high school senior. The pilot program exempted the concurrently enrolled seniors' tuition waivers from the 3.5% limitation. In 2024, the resident waiver limitation was increased to 5% in policy.

At the March 2006 meeting, the State Regents approved a program for concurrent enrollment tuition waivers to help qualified students earn college credit while still in high school. The program required Oklahoma higher education institutions to waive tuition for each concurrently enrolled high school senior. Specifically, the policy was changed to include "Waiver for Concurrently Enrolled High School Seniors." State System institutions shall waive up to six credit hours of tuition per semester or summer term for all eligible high school seniors concurrently enrolled. Students will be responsible for any applicable fees as well as the cost of books and supplies. State Regents will reimburse institutions for these scholarships, subject to the availability of state appropriations. Student eligibility will be governed by State Regents' admissions policy; provided, "high school senior" means a student who has completed the junior year but who has not yet graduated.

In 2009, the Oklahoma Legislature adopted revisions through Senate Bill 290 that amended 70 O.S. 628.13 and provided that each high school senior who meets the eligibility requirements for concurrent enrollment shall be entitled to receive a tuition waiver equivalent to the amount of resident tuition for a maximum of six (6) credit hours per semester and that the number of waivers granted in any year will be based on the amount of funds available for the program and the number of eligible applicants.

The 56<sup>th</sup> Oklahoma Legislature in 2018 adopted revisions, through Senate Bill 1196, that amended 70 O.S. §628.13 and provided for the definitions for waivers for concurrently enrolled high school students. Through the concurrent enrollment tuition waiver program, eligible high school seniors receive a tuition waiver for up to 18 credit hours of concurrent coursework during the academic year. Tuition waivers for eligible high school juniors are available for up to nine credit hours based on available state funding.

Provided in this report is the available data on total numbers of concurrent enrollment high school participants; data on the tuition waivers provided to both seniors and juniors in high school, and degrees obtained by students who have concurrent enrollment credit-hours.

Source: State Department of Education

\* Data unavailable at time of publication.

**Methodological Note:** For figures covering academic years 2015–16 through 2020–21, OSRHE generated a list of concurrent students and provided it to SDE for identifying class level and graduation status. Because there was no common unique identifier across systems (SDE does not collect SSNs, and OSRHE does not collect K–12 state testing numbers), the matching process was both time-consuming and difficult. This challenge was compounded by the fact that the OSRHE list also included students from private institutions and home schools. To reduce burden and improve accuracy, beginning with the 2022–23 figures, SDE instead generated the list of concurrent students enrolled in public schools directly from their own data and identified grade level and graduation status. Figures for 2022–23 and 2023–24 were calculated using this revised approach.

\*\*Table 7. The high school graduation rate of concurrent students receiving tuition waivers:

High School Graduation Rate of Concurrent Students Receiving Tuition Waivers (2020-21)	
Graduated High School	100.00%
Did Not Graduate High School	0.00%
