HIGHER EDUCATION IN OKLAHOMA

Over 200,000 students
enrolled annually

Over 41,000 degrees and
certificates awarded at all
levels in the last academic
year, and an increase of **more
than 15%** over the last decade

For every \$1 of state appropriations invested, the state system of higher education **yields \$17.48 in economic output.**

Associate and bachelor's degree holders **earn a median income 25% and 75% higher**, respectively, than those with only a high school diploma.

Data from the National Center for Education Statistics show the **cost of attendance** at Oklahoma universities is **among the lowest in the nation.**

Over the last decade, STEM degrees **increased nearly 29%** at all levels.

Our students learn here, earn here — **91%** of Oklahomans who graduate from a state system college or university remain and work in the state one year after graduation.

Of Oklahoma's 100 critical occupations, the **top 22** highest-paying jobs require an associate degree or higher, and **eight of the top 10** fastest-growing jobs require a college degree.
