

Providing Educational Opportunities for Child Care Professionals

- Apply for financial aid each academic year and furnish completed FAFSA application documentation to the Scholarship Administrator and respond promptly to all requests for additional information about FAFSA, SAR, state grants and scholarships.
 - **Note: All financial aid (grants, scholarships, student loans, etc.) will be applied toward tuition, fees and books before the Scholars program scholarship. If for any reason, the Scholars Program scholarship is applied and pays for the tuition, fees and books before financial aid is received, I will refund said amount to the Scholars Program.**
- Successfully complete 9-18 credit hours at an approved university during the first 12 months (3 semesters) of the agreement term and during each subsequent 12-month period thereafter. I will not enroll in more than two courses in the fall semester, two courses in the spring semester and one course in the summer semester. If enrolling in additional hours, the scholarship is forfeited.
- Submit class schedule and any changes to enrollment status or class schedule to the Scholars Program office each semester. If changes are not reported, tuition, fees, and book charges may not be covered by the Scholars Program.

- Notify the Scholars Program office of any changes in employment status. If changes are not reported, tuition, fees, and book charges may not be covered by the Scholars Program, and the scholarship may be forfeited.
- Pass each class with a “D” or above, and abide by the scholarship grade policy concerning making a “D”, “F”, “I”, or “W”. This policy can be found on the Informed Consent form.
 - **Note: The institution grade policy may differ from this. The Scholars Program will not pay for a class to be retaken.**
- Maintain a minimum 2.0 Cumulative GPA with a minimum 2.5 GPA in all child development/early care coursework.
- Pay the university 10% of tuition/fees subject to the application of additional financial aid and scholarship funds as provided in Section I (1) in accordance with the institutional policies. This includes late fees if applicable.

This agreement may be modified in writing and will remain in full force and effect as long as the scholarship applicant remains eligible for participation in the Scholars for Excellence in Child Care program or at such time as the scholarship applicant decides not to continue his or her educational goals with the Scholars program.

I agree to the terms and conditions set forth above, and will adhere to all Scholars for Excellence in Child Care program policies. In addition, I understand that my scholarship will not be valid until I receive my official notification letter of approval from the Oklahoma State Regents for Higher Education.
