G. 70 O.S. § 3218.14 authorizes the State Regents to review and consider requests submitted by institutions, constituent agencies or their governing boards for tuition and fees.

H. 70 O.S. § 3218.15 relates to the State Regents' authority to engage the U.S. Veterans Administration and other federal entities for the education of veterans, authorizes tuition and fee waivers, authorizes any required federal assistance matching funds and provides for accepting student payments by credit card.

Requests for tuition and fees changes require institutional governing board approval and will generally be considered by the State Regents each year, or as required. Requests for academic services fee changes must be submitted to the State Regents by February 1st for the subsequent fiscal year in which changes are to be effective. Each request should be accompanied by documentation which includes:
