WHAT'S YOUR PLAN FOR COLLEGE?

Right now, college probably seems a million miles away. But NOW is the best time to start making plans for what happens after high school. You don't have to make any big decisions yet, but the sooner you start thinking about what you're interested in doing for a living, the easier your choices will be later. Where are you headed after graduation? What do you have to do to get there? Don't know where to start? You're not alone! Read this booklet for some good ideas about how to begin your journey. Then talk to your family and school counselor about your plan for college.

WHAT'S IN IT FOR YOU?

- You'll have the time to explore your interests, discover things you didn't know and set new goals.
- College is fun! You'll meet interesting people and make new friends.
- You'll learn how to learn — how to think critically, solve problems and develop new skills.
- A degree can take you out of a minimum-wage job and into a good-paying career you enjoy. Studies prove it — continue your education after high school, and you're likely to make more money and enjoy a better life.

OKCOLLEGESTART.ORG

OKcollegestart.org is the official source for planning a college education in Oklahoma and offers interactive tools to help you prepare and pay for college and explore careers. The website provides information about admission requirements, financial aid and scholarships, college costs and more. You can search by keywords and receive personalized results to compare colleges.

THE MORE YOU LEARN, THE MORE YOU CAN EARN

In fact, national data show that someone with a bachelor's degree earns a median income nearly 60% higher than someone with just a high school diploma. That makes a huge impact on your monthly paycheck and can help you afford the lifestyle you want.

LET'S TALK MONEY

WITHOUT A DEGREE

Let's say you decide to skip college and take a job as a data entry keyer. You'll get paid about \$19 an hour, which is approximately \$3,129 a month or \$30,633 per year in take-home pay.

GROSS PAY
\$3,129 per month
-
Taxes, Social Security, Medicare

TAKE-HOME PAY
\$2,553 per month

WITH A DEGREE

Now let's say you take the time to explore careers, go that extra mile and graduate from college with a degree in computer programming. As a computer programmer, you'll make about \$57 an hour. That's \$9,386 a month or \$81,396 per year in take-home pay.

OKLAHOMA MONEY MATTERS

OKLAHOMA MONEY MATTERS

To learn more about saving and managing money, check out Oklahoma Money Matters (OKMM). OKMM offers information and resources to help students and parents prepare financially for college, strengthen family financial planning and empower young adults with money management skills for independent living. Visit OklahomaMoneyMatters.org or call 800.970.OKMM (6566).

THINK AHEAD

A great way to speed up your college career is to consider earning college credit before you graduate from high school. Taking advantage of opportunities such as Advanced Placement (AP) courses and concurrent enrollment can save you time, tuition, and food and housing, and will also prepare you for the academic demands of college. To learn more, visit [OKcollegestart.org](https://okcollegestart.org) and ask your high school counselor what options are available at your school.

COLLEGE ENTRANCE EXAMS

Talk to your counselor about taking the ACT and/or SAT. Visit [OKcollegestart.org](https://okcollegestart.org) to learn more about preparing for college entrance exams and to access free ACT and SAT test prep resources. For more information about preparing for the ACT exam, visit [ACT.org](https://act.org), and for information about preparing for the SAT exam, visit [SAT.org](https://sat.org).

GRADES TO MAKE

If you want to attend an Oklahoma college or university, you must meet certain requirements. When you apply for admission, public colleges and universities will look at:

- Your score on a national standardized test (ACT or SAT) (optional at some institutions for admission decisions)
- Your overall grade point average (GPA) and ranking within your high school class
- Your GPA in the 15 core courses required for college entry

For more information about 2026-27 admission requirements for first-time entering students at Oklahoma public colleges and universities, visit [OKcollegestart.org](https://okcollegestart.org). You can also talk to your school counselor or check with the college(s) you want to attend.

NOTE: While all students are encouraged to take the ACT or SAT if the tests are available, public colleges and universities may be authorized to use multiple measures of student performance to make admission and placement decisions for the fall 2027 semester. For more information, students should contact the admission office at the college or university they would like to attend.

THE CHOICE

Choosing where to go to college is an important decision. Your selection will affect your future and could impact your success as a student. Here are some things to think about:

- **Location:** Are you willing to move away from home? Do you prefer a city or country setting? Do you want to live on campus?
- **Type of college/university:** Do you want to be on a large or small campus?
- **Admission requirements:** How are your grades and test scores?
- **Academics:** What do you want to study?
- **Financial aid:** How much financial assistance do you need? Can the campus provide you with aid (scholarships, part-time employment)?
- **Activities:** Which campus offers the best options for your interests?

CAMPUS VISITS

Still undecided about which college is best for you? Schedule visits to the colleges and universities you might be interested in attending. These visits can help you make a more educated decision. While on your campus visits, talk to as many people as you can and don't pass up a chance to ask questions. Use the *Making the Most of Campus Visits* guide found at [UCanGo2.org](https://ucango2.org) to make your trip a success. Many colleges also offer virtual campus tours. To find a list of participating colleges, visit [OKcollegestart.org](https://okcollegestart.org).

TYPES OF INSTITUTIONS & DEGREES

RESEARCH UNIVERSITY

An institution that grants bachelor's, graduate and professional degrees and offers a wide variety of courses and degree programs. Generally, they have large student bodies and expansive campuses.

REGIONAL UNIVERSITY

An institution that offers bachelor's and master's degrees, and in some instances, associate or professional degrees. They tend to have mid-sized student populations and campuses.

PUBLIC LIBERAL ARTS UNIVERSITY

An institution that grants bachelor's degrees in arts and science fields, including humanities. A public liberal arts university tends to have smaller class sizes that facilitate close interaction between faculty and students.

COMMUNITY COLLEGE

An institution that grants associate degrees for transfer to four-year institutions or for career preparation. They usually offer flexible class schedules with smaller class sizes.

TECHNICAL BRANCH

An institution that grants applied associate degrees, some Bachelor of Technology degrees and a limited number of associate degrees for transfer to four-year institutions. Technical branches have a special emphasis on education and training in technical fields.

MICROCREDENTIAL

A microcredential is a short-term, specialized qualification you can earn after completing a set of activities, projects and/or courses that are designed to teach you specific skills, capabilities and knowledge you can use right away in the workplace.

CERTIFICATE

A credential awarded for an organized program of study that may or may not lead to an academic degree.

ASSOCIATE IN ARTS (A.A.) / ASSOCIATE IN SCIENCE (A.S.) DEGREE

A degree awarded upon completion of two years of full-time college work (at least 60 credit hours) that is designed to transfer to a four-year university. The State Regents recognize these two types of associate degrees that transfer to any state system university.

ASSOCIATE IN APPLIED SCIENCE (A.A.S.) DEGREE

A degree requiring two years of full-time college work (at least 60 credit hours) that emphasizes an occupational specialty and is designed to lead the individual directly to employment. Some A.A.S. degrees may lead to a Bachelor of Technology degree.

BACHELOR'S DEGREE

A degree typically requiring four years of full-time college work (at least 120 credit hours). The State Regents recognize three types of bachelor's degrees — Bachelor of Arts, Bachelor of Science and Bachelor of (Specialty), such as Music, Education, etc.

ATTENTION

To learn more about selecting the right institution for you, check out the *Browse Postsecondary Schools* section at [OKcollegestart.org](https://okcollegestart.org).

PAYING FOR COLLEGE

College costs vary; some institutions are more expensive than others, especially for out-of-state students. Fortunately, the cost of attending an Oklahoma public college or university is among the lowest in the nation. In addition, the availability of financial aid from various sources can make college even more affordable for qualified students.

2026-27 ESTIMATED AVERAGE COSTS FOR RESIDENT STUDENTS

Oklahoma Public Colleges and Universities (30 credit hours)

Expenses	Research Universities	Regional Universities	Community Colleges	Technical Branches
Tuition	\$5,602	\$6,572	\$3,637	\$4,469
Mandatory Fees	\$4,481	\$1,691	\$1,298	\$1,096

Visit *How Much Does College Cost?* at [OKcollegestart.org](https://okcollegestart.org) for a more detailed breakdown of costs, including food and housing.

TYPES OF FINANCIAL AID

There are four different types of financial aid available: scholarships, grants, work-study and student loans. To learn more about financial aid, visit OKcollegestart.org.

WHAT IS THE FAFSA?

Students are required to submit a Free Application for Federal Student Aid (FAFSA) in order to graduate from a public high school in Oklahoma. The FAFSA is also required to apply for federal financial aid (grants, work-study and student loans) and the Oklahoma Tuition Aid Grant Program (OTAG). Oklahoma's Promise recipients will also be required to complete the FAFSA each year.

You'll need to have your parents' tax return(s) along with yours to complete the FAFSA. Even if you don't think you need financial aid (or qualify for it), fill out the FAFSA anyway. Most students qualify for some form of federal financial aid! Complete the FAFSA as soon as it becomes available — generally on Oct. 1 — during your senior year and each year prior to the term you will need financial aid for college. Visit StartWithFAFSA.org to find FAFSA completion tools.

FINANCIAL AID CHECKLIST

- ☐ Don't wait. Fill out the FAFSA as soon as it becomes available around Oct. 1 of your senior year and each year prior to the term you will need financial aid for college. Many students don't realize they may qualify for federal aid such as grants, scholarships, work-study or low-cost student loans. Learn more at FAFSA.gov.
- ☐ Explore OKcollegestart.org and UCanGo2.org to learn more about paying for college. Start researching the colleges you're interested in and learn what types of financial aid they offer.
- ☐ Find out if scholarships are available in the fields you're interested in and what the requirements are, so you can plan early to apply. Scholarships are called "free money" because they don't have to be paid back. Students qualify for scholarships based on financial need, grades, talents and life experiences. OKcollegestart.org offers a database of over 20,000 scholarships for students, and UCanGo2.org provides helpful scholarships by deadline. Review the *Path to Scholarship Success* guide on the UCanGo2.org website for helpful tips on scholarship completion.
- ☐ Ask family members to open an Oklahoma 529 college savings account by calling 877.654.7284 or visiting Oklahoma529.com. Oklahoma 529 offers tax advantages for families, and funds can be used at nearly all colleges and universities in the United States.

EMPLOYER TUITION ASSISTANCE

Are you exploring options to help pay for college? Many companies across the state provide tuition assistance benefits to help employees pay college expenses. Check out our list of employers offering higher education benefits that can be used at an Oklahoma public college or university at OKHigherEd.org.

TIPS FOR SCHOLARSHIP SUCCESS

- **Do your research.** Set up an appointment with your school counselor to talk about your scholarship options. Many colleges post available scholarships on their websites. Check with the college(s) you plan to attend to learn about scholarships they may offer.
- **Go local.** Many clubs, civic organizations and churches offer scholarships. If you aren't sure, ask! Applying locally for scholarships means you're competing against fewer people.
- **Do the "write" thing.** Many scholarships require an essay, but don't let that discourage you. Scholarships that require essays have fewer applicants, which means you have a greater chance of winning the award. Review [UCanGo2's Scholarship Essay Tips](#) for assistance.
- **Don't miss the boat.** Apply for as many scholarships as possible and keep track of the requirements for each one so you don't miss out on free money by forgetting to include your transcript or submitting your application after the deadline. Use [UCanGo2's Scholarship Tracker](#) to stay organized!

OKLAHOMA'S PROMISE

Oklahoma's Promise allows students to earn a college tuition scholarship if they meet certain academic and conduct requirements in high school. Dec. 31 of your senior year is the last day you can apply to the program. Your guardian(s) must meet certain income requirements at the time of application and each year you are enrolled in college.* For more information, visit OKPromise.org or call 800.858.1840.

**Special income provisions and application deadlines may apply to children adopted from certain court-ordered custody, children in the custody of court-appointed legal guardians, children of certified public school teachers, and Social Security benefits based on the death or disability of the student's parent(s). Please contact the Oklahoma's Promise office for more information.*

CHECKLISTS & ADDITIONAL RESOURCES

JUNIOR CHECKLIST

- ☐ Take core classes that meet college entrance requirements.
- ☐ Sign up for the Oklahoma's Promise scholarship program. Use the curriculum checklist at [OKPromise.org](https://okpromise.org) to keep track of your courses, continue to make good grades and stay out of trouble.
- ☐ Explore opportunities to earn college credit while still in high school, like concurrent enrollment and AP courses. Learn more about these programs on [OKcollegestart.org](https://okcollegestart.org).
- ☐ Prepare to take ACT/SAT exams. You may want to take them more than once to raise your score. Visit [OKcollegestart.org](https://okcollegestart.org) to take free practice exams.
- ☐ Attend college fairs in your area. Find college fair information on college/university websites, including virtual college fairs. [UCanGo2's College Fair Worksheet](https://ucango2.org) offers sample questions to ask and a list of information to gather.
- ☐ When you narrow the list of colleges you're interested in, schedule campus visits or visit [OKcollegestart.org](https://okcollegestart.org) to review virtual tour options.
- ☐ Explore [OKcollegestart.org](https://okcollegestart.org) and [UCanGo2.org](https://ucango2.org) to learn more about paying for college. Start researching the colleges you're interested in and learn what types of financial aid they offer. Search and apply for scholarships listed on [OKcollegestart.org](https://okcollegestart.org) and [UCanGo2.org](https://ucango2.org). We recommend juniors apply for one or two scholarships per week.

✔ Review more detailed checklists at [UCanGo2.org](https://ucango2.org).

SENIOR CHECKLIST

- ☐ Talk to your family and school counselor about your goals after high school.
- ☐ If you haven't already, sign up for Oklahoma's Promise. The deadline is Dec. 31 of your senior year!
- ☐ Research scholarships available through your school, business community and local civic organizations. Search and apply for scholarships on [OKcollegestart.org](https://okcollegestart.org) and [UCanGo2.org](https://ucango2.org). We recommend seniors apply for two or three scholarships per week.
- ☐ Complete the Free Application for Federal Student Aid (FAFSA) as soon as it becomes available on Oct. 1 of your senior year. The FAFSA is used to determine your eligibility for most types of financial aid, including federal (and some state) grants, work-study programs, student loans and scholarships.
- ☐ Visit [StudentAid.gov](https://studentaid.gov) to set up your StudentAid.gov account and submit your FAFSA online at [FAFSA.gov](https://fafsa.gov). Your StudentAid.gov account is a username and password that you'll use to access and sign your FAFSA. Your parent(s) will also need a [StudentAid.gov](https://studentaid.gov) account.
- ☐ Submit admission and financial aid applications to the college(s) of your choice; pay close attention to deadlines.
- ☐ Review your FAFSA Submission Summary for accuracy. Any inaccurate items need to be corrected, either at [StudentAid.gov](https://studentaid.gov) or by contacting your college's financial aid office.
- ☐ Respond quickly to any requests from colleges and universities for additional information.
